This lecture is named after Henry L. Laws II, to honor his contributions to the Congress and the field of surgery. Dr. Laws had a passion for not only clinical care but also for medical education.

**SCIENTIFIC SESSIONS**
A total of 37 scientific papers, 12 videos and 10 Resident Forum papers will be presented, with plenty of time to discuss hot topics.

**QUICK SHOT PRESENTATIONS**
Hear 16 quick shot presentations addressing issues faced in surgery every day. Topics include Trauma, GI, CT and Acute Care, Breast and Endocrine.

**ePOSTER DISPLAYS AND FEATURED POSTER PRESENTATIONS**
Examine 300+ ePosters to see what other surgeons are finding through their research.

**EXHIBITOR SHOWCASE**
The SESC provides your best opportunity to network and interact with vendors from numerous companies representing medical equipment, pharmaceutical companies, and other surgical suppliers. All are waiting to discuss their newest products and get feedback from you. Plenty of time will be available to network in this engaging setting and to take valuable information back to your practice. SESC will be offering an opportunity to attendees to participate in an exhibitor game and score a chance to win an Apple Watch!
RESIDENT FORUM
Saturday, February 25, 2017
9:00am – 12:00pm

The Resident Forum is a highlight of the SESC Program as it helps shape young investigators critical thinking and scientific contributions. The purpose of the Forum is to provide an opportunity for residents to present and discuss their research with others in an atmosphere that encourages academic exchange in a low-pressure setting.

LOCAL ATTRACTIONS & TOURS
The Renaissance Nashville is located in the heart of downtown Nashville. It is within walking distance to Music City Center and attractions like Bridgestone Arena, Nissan Stadium (formerly LP Field), B.B. King’s Blues Club, Country Music Hall of Fame, Ryman Auditorium and the Historic Second Avenue District.

Country Music Hall of Fame and Museum
The world’s largest popular music museum offers ever-changing exhibits featuring the legends of country music past and today’s hottest stars.
http://countrymusichalloffame.org/

Ryman Auditorium
The Ryman Auditorium, also called the “Mother Church of Country Music,” has had artists as diverse as Jon Bon Jovi and Patsy Cline perform on its legendary stage since 1892. You can take a backstage tour and record your own song in the Ryman recording studio. The stars of the Grand Ole Opry perform every Tuesday, Friday and Saturday night (at the Ryman Auditorium November-January; at the Grand Ole Opry House February-October) with guest appearances by the biggest names in music. With 90 years under its belt, it’s the world’s longest-running radio broadcast and shows no signs of slowing down.
http://ryman.com/

Nashville Centennial Park
A short drive away from the Renaissance Nashville Hotel is Nashville’s Centennial Park. Here you’ll find the world’s only full-scale reproduction of the ancient Parthenon in Athens, Greece. The Parthenon houses an art gallery and museum as well as Alan LeQuire’s Athena Parthenos. Standing at almost 42 feet in height, Athena is the tallest indoor sculpture in the Western world. Just a mile from The Parthenon is the LeQuire Gallery, where you can visit Alan in his studio and witness one of the nation’s premier sculptors. Centennial Park hours: Dawn to 11:00pm Daily
